THE TROPICAL PARADISE

WELCOME TO MEZO

The Pinnacle of Luxury Mixology

At Mezo Jaipur, we believe in pushing the boundaries of traditional cocktailmaking to deliver a drinking experience unlike any other. Our mission is to craft cocktails that transcend the ordinary—each glass is a canvas where art, flavor, and innovation collide. Renowned for serving the finest cocktails in the city, we combine cuttingedge mixology techniques with the best locally and globally sourced ingredients to offer a journey for both the refined palate and the adventurous spirit.

OUR CRAFTSMANSHIP

At Mezo Jaipur, cocktail creation is treated as a sophisticated craft, using techniques that blend innovation with artisanal dedication:

Clarification: Clarified cocktails are one of our signature offerings. Using advanced clarification methods like milk washing, we strip away the opacity from fruit juices and mixers, creating cocktails that are crystalclear and visually stunning. This process not only refines the drink's appearance but also enhances the smoothness and purity of flavors, providing a silky mouthfeel that is unmatched.

Sous Vide Infusion: To intensify the flavors of our ingredients, we use the sous vide technique—a precise method where ingredients are slowcooked under vacuumsealed conditions. This process ensures the maximum extraction of flavors from herbs, spices, and fruits without overcooking them, resulting in rich, wellbalanced cocktails with depth and complexity.

Fat Washing: Fatwashing allows us to incorporate the richness of ingredients like butter or coconut oil into our spirits without the heaviness. By infusing spirits with fats, and then freezing and straining them, we achieve a velvety texture and a subtle layering of flavors that elevate our cocktails to new heights.

Custom Cordials and Syrups: We pride ourselves on creating all our syrups, cordials, and brines inhouse. These include salt cordials, spiced syrups, and exotic fruit cordials, which add bold and dynamic layers of flavor to every drink. Freshness is guaranteed, with no artificial flavors or additives, ensuring that every cocktail bursts with an authentic and natural taste.
